

Sep 27, 2020 V-Ray® for Rhino 6.34 offers multiple improvements for building visualization and analysis tasks. The latest release of V-Ray® for Rhino 6.34 provides additional enhancements for building visualization and analysis tasks. Major updates for lighting, material and cloth simulation, and particle simulation. V-Ray for Rhino 6.34 also features the Chaos Vantage Live Link integration, now with Live Link, a new method that streamlines your workflow by automatically creating your render proxy assets for render streaming, and includes changes to .Vray for Rhino 5.1.4 Feb 15, 2020 V-Ray® for Rhino 6.34 includes multiple enhancements for V-Ray for SketchUp. "We're pleased to see that V-Ray for SketchUp is quickly gaining traction," said Thomas Rathgeber, CTO of Distinguished Objects. "The integration of V-Ray for SketchUp with Rhino 6.34, enables users to design and simulate almost any project in the industry." The program is built on the same code base as V-Ray for Rhino and meets the needs of users across the full Rhino workflow including: Direct . Oct 31, 2019 Update adds new features to V-Ray for SketchUp, including Scatter, new Material types, material flow, and V-Ray Decal. The new Scatter tool enables the discovery and visualization of optical scattering inside image-based rendering. V-Ray for SketchUp 6.22 is available for free download. V-Ray for Rhino 6.34 offers multiple enhancements for building visualization and analysis tasks. The latest release of V-Ray for Rhino 6.34 provides additional enhancements for building visualization and analysis tasks. Oct 3, 2019 New features for mesh-based building visualization and material building in . Update includes multiple enhancements for mesh-based building visualization and material building in . The latest release of V-Ray for Rhino 6.34 provides a variety of enhancements for building visualization and analysis tasks. V-Ray for Rhino 6.34 now includes the following major enhancements: Automatic CAD import for Rhino's built-in Curves tool Contextual and custom file error messages Dynamic light path search for HDR images In Scene lighting, . Oct 2, 2019 The new Scatter tool enables the discovery and visualization of optical scattering inside image-based rendering. The new
