[Autoimmune pancreatitis in the differential diagnosis of patients with persistent hypercalcemic syndrome]. Authors present a retrospective analysis of 10 years of work on autoimmune pancreatitis in Department of Endocrinology, Surgery and Internal Medicine, Medical University in Warsaw. They confirm the efficacy of a fine needle aspiration biopsy for diagnosing autoimmune pancreatitis in patients with persistently high serum calcium and the efficacy of corticosteroid therapy in the treatment of this disease. Conclusions are drawn from the data concerning the high frequency of the disease among the patients with newly diagnosed autoimmune pancreatitis. My Friends My Friends I have a lot of friends A million if I wanted to but I'd never call them that There are people who I grew up with and people who I've met up with lately And family and friends scattered around the world, as far as the five seas People who I appreciate who I'm thankful for Yeah I have a lot of friends And a lot of friends who are cool And some who aren't cool But I love you all I love you all I'm sorry I'm not sorry I'm not sorry I'm not sorry I'm sorry I'm not sorry I'm not sorry I'm not sorry I love you all I love you all But why I don't like friends that I like I don't like it I don't like it I don't like it I don't like it I don't like it I don't like it I don't like it I don't like it You should want to be my friend more than anyone I don't like friends that I like I don't like it I don't like it I don't like it I don't like it I don't like it I don't like it I don't like it I don't like it I can't say I do I'm sorry I'm sorry I'm sorry I'm sorry I can't say I do I'm sorry I'm sorry I'm sorry I'm sorry You should want to be my friend more than anyone I love you all I love you all I love you all --- Lyrics to this song provided by The Songs Database.
