Take on the role of a new acolyte as they embark on an odyssey through a twisted Lovecraftian inspired world. While their god is being destroyed by the forces of darkness, a plague of monsters, called the Shapes, are unleashed. You will be faced with a system of AI assisted procedural generation that will test your wits and your stamina in every mission. Engage with enemies in a side-scrolling action-RPG style gameplay, exploring an ever-changing diorama and finding the items you need to make it out alive. Master a fast-paced combat system, featuring a set of close-combat skills that allow you to deal huge amounts of damage in a variety of ways, as well as arcane spells and powerful health-infusing abilities. Meet the community, and forge friendships, allegiances, and alliances In Source of Madness you can: - Discover the secrets of the Loam Lands and The Tower of Madness, the moon's mysterious Citadel - Make your way through a procedurally generated landscape while uncovering the meaning of the Shapes - Master the combat system and the powerful skills you'll need to survive - Meet and forge friendships with fellow acolytes and other outcasts that your character discovers - Forge allegiances and alliances with other outcasts and acolytes - Get into the Loam Lands' lore Source of Madness is a turn based action roguelite RPG, that sees players engaged in a bejeweled first-person adventure set in a cosmic Lovecraftian world. It is the story of the Acolytes, a group of outcasts that band together to save humanity and learn of the terrible secrets of The Loam Lands. Enterotoxin detection in Aeromonas species and their role in the foodborne disease outbreak. The aim of the study was to detect AB type enterotoxins and to determine the potential role of the Aeromonas species in the foodborne disease outbreak. A total of four different clinical samples (spoil fish, raw frozen fish, sea urchin, and crustacean) containing Aeromonas species were tested for detection of AB types enterotoxin genes by multiplex PCR method. Among 21 Aeromonas isolates, 23 isolates were confirmed by phenotyping/biotyping, whereas the genes encoding for AB type enterotoxin (scnA, stx1, and stx2) could be detected in all the strains. The map of the Territories is quite large, offering players the choice between either a survival or a battle experience. The aim of the game is to get into a hostile zone to steal resources and to find the exit. A First Person Shooter Game, it's up to you to defend the resources your steal from hostile competitors who are chasing you, waiting for the perfect moment to take everything you have. You start in the spawn point and can find weapons, ammunition, health and a map marker, before starting the story that will take you in between different territories where you have to steal a lot of resources and to find the exit, which leads to a safe point. You are also equipped with a Sentry Gun that will fire on your enemies and give you cover until you're out of ammo. Highlights:•Various scenarios: The Territories is more than 20 maps and 4 maps are featured in this Game version•Improvements & modifications: A lot of time has been put into the game to deliver the best experience to our players. •Storyline: In this survival game, you are taking orders from the leader and try to steal a territory by navigating between different map parts. A first-person action shooter that combines the co-op multiplayer experience of Left 4 Dead, with the intense single player campaign of Spec Ops: The Line. In Hardcore Infection, players once again unite to combat the vile disease outbreak. Before The Fall : Head to The Beta Center to grab your invite Play out the end of human civilization with the entire community. As a survivor, your every move is critical. Every decision will affect the fate of humanity. Game Modes End of days : Survival of the fittest! Survive for as long as you can against a brutal swarm of the infected. Horde : Teams of survivors must work together to complete objectives and survive through hordes of infected. Watch your back! If any teammate gets infected, the team dies! End Game : Last team standing wins! Will you survive the ultimate fight against the infected horde? Playable maps The Sewers : Fight through a twisted maze of twists and turns amidst the crowded sewers. Seinfeld : The most iconic location in all of simulation, in the bowels of The Unite, you'll be challenged to take over the building that no one thought to be occupied. Colony : Navigate a persistent storyline with your friends

We look forward to having you join us for Pizza and Business! Comments Super game..especially if you love pizza. I can't play this game very often because of my work, but definitely gonna come back when I have a minute. Super addictive game, and I think it's the game that I like to play on a daily basis!In a statement on Tuesday, Zuckerberg emphasized his desire to continue participating in philanthropy to help drive positive social change in the future. "I know privacy has become a polarizing issue, but I've long believed that building an open platform is good for society," he wrote. "And the long-term value of bringing people closer together is worth fighting for. I have always wanted to give more time and energy to this, but felt pulled in other directions for many years. I've only just started focusing on it, and I have so much more to learn. I plan to keep learning and investing for many years to come, and I hope you'll help me keep going."Sunday, 25 May 2010 Good morning, my beautiful family. I'm very sorry I've not posted in some time, I've not been too happy. I'm not going to lie, I'm a very unhappy person. I'm going to try and do a lot better this time around, I want to change my negative thoughts and I also want to be a better person. I've had a pretty busy couple of months really, I've been working from home for the last 10 days due to my tiredness not being able to cope with any more travel so this has been good. I know I always mention I'm sorry I've not been around for the last couple of months, I actually think we're doing pretty well considering how things have happened with Alex. The few times I've been out she's been fantastic. Her dad is being really sweet and lovely and we're just going to keep going with that. We're going to do lots of nice things
