Every time I try to upload, I get this error: Uploading your app to the App Store Your app "MyApp" could not be processed. It will be queued for resubmission. This happens immediately after I hit the Save button on the Application Loader interface. (There's no space for saving anything, so it's actually just "saved" the.ipa and said "Save" then immediately closed) Subsequently, I get the error An error occurred while uploading the application to iTunes Connect. The request URL is not valid. The server response was: (502) Bad Gateway. So, what's going on here? If I can't upload my app, what's going to be done to it? Apple's instructions say I need to send the itunesconnect.ipa. A: There might be different reasons why you get this error:

What's new:

- **Career Mode** - Live out your dreams as both a manager and a player in FIFA 22. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory. Or test your skills as a player, with a more immersive Player Career mode that gives you more ways to progress, achieve, and immerse yourself in your Pro's journey through the game.
- **FreeKick Mode** - new camera angle gives you a new perspective on the most famous spot on the pitch. Watch professional free kicks as they look incredibly realistic. Each free kick can be saved, but only during the actual kick.
- **Evolutions** - At the beginning and end of every match, a new way to achieve and develop new formations or tactics is introduced, giving you the freedom to try new styles of play over the course of a match.
- **AI** - Anticipation has been added to realistic AI opponent behaviours. Players now use their eyes and their feet to check the position and possibilities of other players on the pitch, not only during set-piece situations.
- **First touch** - Improve the first touch on your opponent in a variety of ways, including precision, speed and angle of contact, to gain more control.
- **Tackling** - Increase your control of the ball and improve your accuracy to perfect your technique. Tackle animations will change depending on the player you are tackling.
- **Aerial Battles** - Throwing the ball out of the air is now a key trait of many top players. Tactical actions are more precise, but any touch on the ball will cause a penalty.
- **Clean Sheets** - Your matchday squad will attack sharper, play smarter and navigate the course of the match better on a clean sheet.
